PROFILE

I am an IT student in my final year of study in Cape Town. I am a dedicated and hard-working individual with a passion for technology and a strong aptitude for problem-solving. My coding skills are well-developed, and I am proficient in **Java**, **Python**, **PHP**, and **MySQL**. Over the past year, I have expanded my skill set by learning **Laravel**, a powerful PHP framework, and applying it to web development projects. I have also deepened my knowledge of Python through practical applications and problem-solving exercises. I am eager to apply my skills and knowledge to real-world challenges and am committed to continuous learning, growth, and improvement in the ever-evolving tech industry.
